++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry and bright Sunday, but some showers in north.

Today:
Mostly dry and bright with sunny spells, but rather more cloud in the north and northeast with drizzly showers, especially onto northern facing hills, but most showers will fade away through the morning and the northerly breeze will slowly ease. Maximum temperature 17 deg C (63 deg F).

Tonight:
Clear spells will follow evening sunshine, but cloudier in far north and cloud will thicken here overnight to bring patchy rain. Light winds and perhaps becoming rather chilly in glens. Minimum temperature 3 deg C (37 deg F).

Monday:
Dry and bright with sunny spells for most, but cloudier in the north with patchy rain at first, but drier and brighter here in afternoon, though perhaps the odd shower. Maximum temperature 18 deg C (64 deg F).

Outlook for Tuesday to Thursday:
Mostly dry with sunny spells Tuesday, but showery rain on Wednesday, some heavy and perhaps thundery. Drier overnight but becoming wet and rather windy on Thursday.
